JULY 2023 NEWS

The next meeting of Eaton Parish Council
Wednesday, 19th July 2023

To be followed by meetings:
 Monday, 11th September
 Monday, 13th November
 Monday, 11th December

and as always members of the public are very welcome

At the June meeting there was a continuation of previous discussions on the development by the Parish Council of a plan for 2023 to 2027 to set the objectives and ambitions of the Council.

John Wood spoke for the Eastwell Heritage Centre of the work of his group to restore the ironstone working engine Lord Granby. The project represents an excellent opportunity to create an iconic feature on behalf of all three parts of the Parish and with significant educational and tourist potential. All the Parish Councillors would welcome any similar ideas from parishioners.

Parish Councillors

We are pleased to announce that at the Council meeting in June, Andrew Sibree was co-opted on to the Council, which means we now have our full complement of councillors.

We sadly have to report that another recent stalwart of the Parish Council has passed away. Margaret Wright joined the Council in November 1999 and was a member of the Council until she had to retire due to ill health in August 2022. She will be remembered for her down to earth common-sense view on matters which contributed greatly to our Council meetings. The Parish Council send their condolences to the family at this sad time.

Letter from the Rector

'One more Step' - Endings and Beginnings

Dear friends,

Our lives are marked by many different 'endings' and 'beginnings'. These are important moments of transition, from the old and familiar to the new and unfamiliar.

Whether it's moving home, leaving or starting a job, retiring, getting married, ending a relationship, ill health, or loss through bereavement, our lives are often punctuated by significant endings and beginnings.

This marking might include a gathering with speeches, gifts and cards, and maybe a service with special prayers or symbolic acts. The event seeks to express the meaning of the moment, and an appreciation of the person (or people) at the centre of the gathering.

For example, during this month our two primary schools in Scalford and Waltham will hold their annual leavers' service. During this service, Year 6 children will share memories of their time at the school, and how they are feeling about moving on. The rest of the school community then say farewell to the leavers, thank them for their contribution to the life of the school, and pray for them.

It is always a very moving occasion, one where both smiles and tears are never far away, and a good supply of tissues needs to be close at hand!

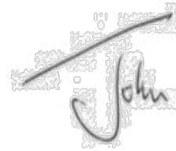

This year, we will also be marking two other important endings and beginnings in the life of our schools. The Headteacher of Scalford

School, Marie Waring, and the Executive Headteacher of the group of schools including Waltham, Julie Hopkins, are both retiring at the end of this term. We shall be joining with others in giving thanks for their leadership over many years, and wishing them every joy and blessing in their retirement. We also pray for Melanie Wrightam and Hollie Geeson, who succeed them at Scalford and Waltham Schools.

One of the hymns often sung at leavers services - and indeed at other services like christenings, weddings and funerals - is 'One More Step' by Sydney Carter. This hymn pictures life as a journey, and is a prayer that we might know God's presence with us along the way. The chorus of the hymn puts it in these words:

*And it's from the old I travel to the new;
Keep me travelling along with you.*

With prayers and all good wishes as we journey on into the summer,

(John Barr, Rector)

FUNDRAISING CHURCHYARD MARKET

Not our most successful fundraising event; however, although we have to admit it was a struggle, we did manage to raise £175.50 - quite a large percentage of that was from Janet's cakes/teas, etc., and Glenda (who had her stall there selling fruit and plants). Many, many thanks to those who helped, and also those who came along.

**EASTWELL CHURCH BELL**

A couple of pictures taken following the collapse of the bell-rope, which slowly uncurled itself onto the floor of the kitchen area after being rung for around 90 seconds for King Charles' Coronation.

Thanks to the efforts of Ian Beauchamp and his friend Steve, a new rope has now been fitted, and the bell is now back in commission.

The Coronation was the first time the bell had been rung for several years.

LIVE AT EASTWELL

Annie Keating Band - Saturday, 16th September

Doors open 7.00 pm

Over the years, Annie has been compared with great artists ranging from Lucinda Williams to John Prine but now, in 2023, Keating has found a UK band that takes her talent to a whole new level through undeniably great live shows that deliver unbridled, raucous joy and an infectious sound. Following the success of her eighth full-length album, 2021's Bristol County Tides, Annie toured UK in 2022 - her show in Eastwell being a particular highlight - and she is bringing the full band for a run of autumn '23 uk/Ireland shows.

Jade Helliwell - Saturday, 18th November. Doors open 7.00 pm

Jade Helliwell is a singer-songwriter from West Yorkshire and winner of multiple British Country Music Awards, including best female, video and song of the year. Her style is a notably British blend of pop and country influenced by the likes of Patsy Cline and Dolly Parton, as well as contemporary artists Maren Morris and Cassadee Pope. Over the last couple of years, she has performed alongside some of the big names appearing regularly at festivals such as Country to Country (C2C)m, Buckle and Boots, FSA Festival and Country on the Clyde and Nashville Meets London festival. She has just returned from a triumphant co-headline Girl Country UK Tour with Kezia Gill, including sold out shows in Wakefield, Manchester and Nottingham. Jade will be performing with her full band.

**RIDE & STRIDE DAY
Saturday, 9th September**

Ride & Stride is a sponsored event on the second Saturday in September every year, and is the single largest source of income for the Leicester Historic Churches Trust. It's also a church open day and a great day for getting out and about in Leicestershire.

Ride & Stride 2022 raised £34,559, half of which goes to the church of the rider's/walker's choice, the remaining half to the HCPT. The Trust's share of the funds raised, which includes Gift Aid claimed by the Trust, is used to give grants to churches and chapels.

They fund a wide range of projects, including roof repairs and renewals (and roof alarms), repointing of stonework, conservation of organs and stained glass windows, and projects to enable greater community use of the building.

If you would like to take part and raise some funds for your local church, sponsorship forms will be available - please get in touch with any member of your PCC. Forms may also be found nearer the time in your church.

One last remark: the sun almost invariably shines on Ride & Stride Day

**EASTWELL : Saturday, 19th August
GUIDED WALK AND TEA IN EASTWELL VILLAGE HALL**

The guided walk of Eastwell held in 2019 was very popular and much appreciated, despite some appalling summer weather. We have decided to hold it again as we feel it is important to pass on the knowledge of the village's industrial past and its characters to those who have moved to the village in the recent past.

The tour will be guided by residents who have lived all or much of their life in Eastwell. It will start at the church for a short explanation of the origins and artefacts of this 1000 years old place of worship within the building and grounds. This will be followed by a guided tour of the village stopping at such places as Gyes Garth, the Priests House, Beechgrove Quarry and a host of other interesting sites.

We estimate the tour will take about an hour, following which afternoon tea will be served and a short slide show of some of the historical activities will be given in Eastwell Village Hall. We hope to have some of the longer-standing residents there who will be able to reminisce about some of the characters of old, the tradesmen who regularly called in the village and the arrival of mains services, which are more recent than you might expect.
